Good Luck Always.

You will share so many good times with new friends, sad times from old loves, and take part in the confusion and disappointment that always comes in high school.

You will win and you will lose, but you must never lose that spirit, for these are your high school years, and they'll never be back again.

Live each moment and strive to catch your dreams. Make these four long, yet so very short years, the best ones you've ever had.

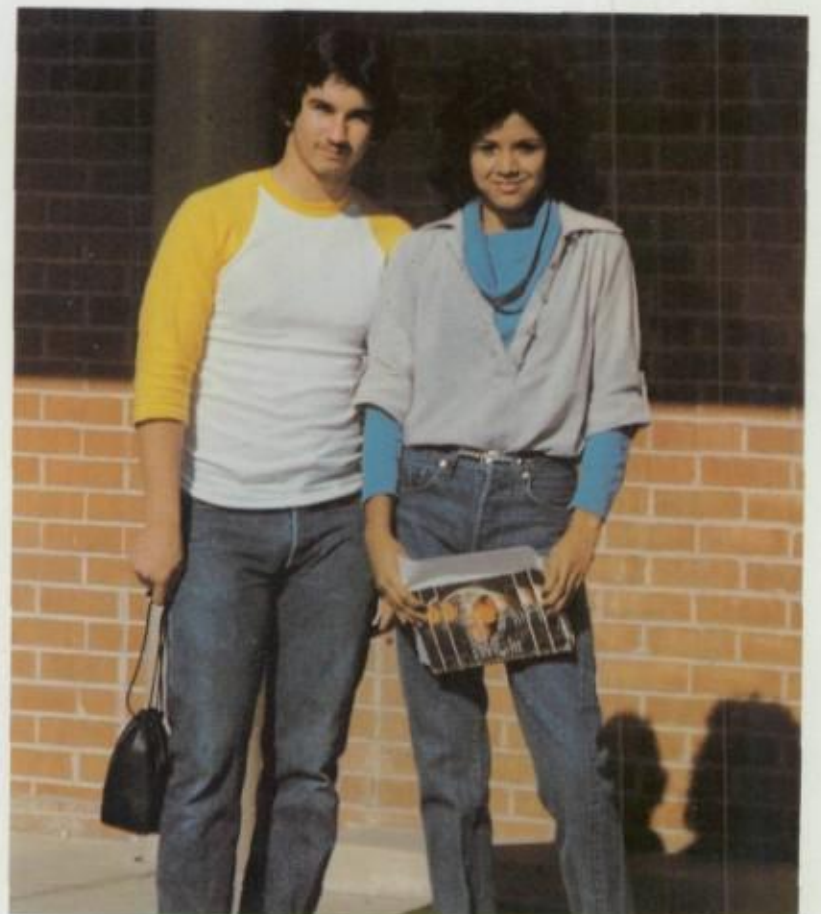

Remember all the days, months, and years of high school.

All the places, faces, and disgraces.

Things you had never done and now they're gone.

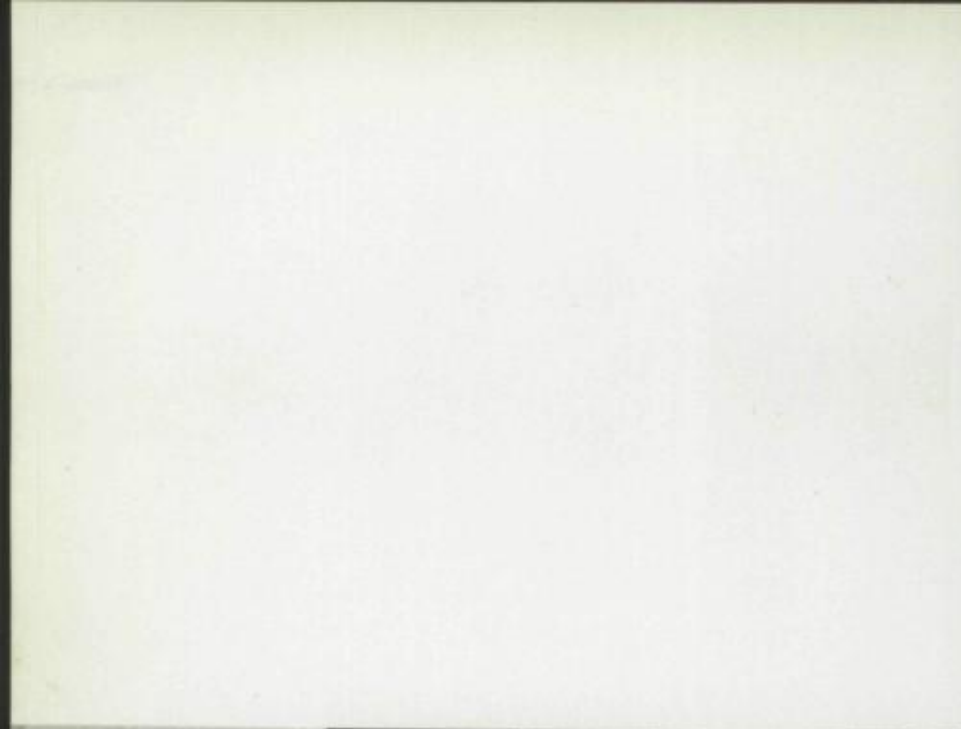

The new friends the old friends.

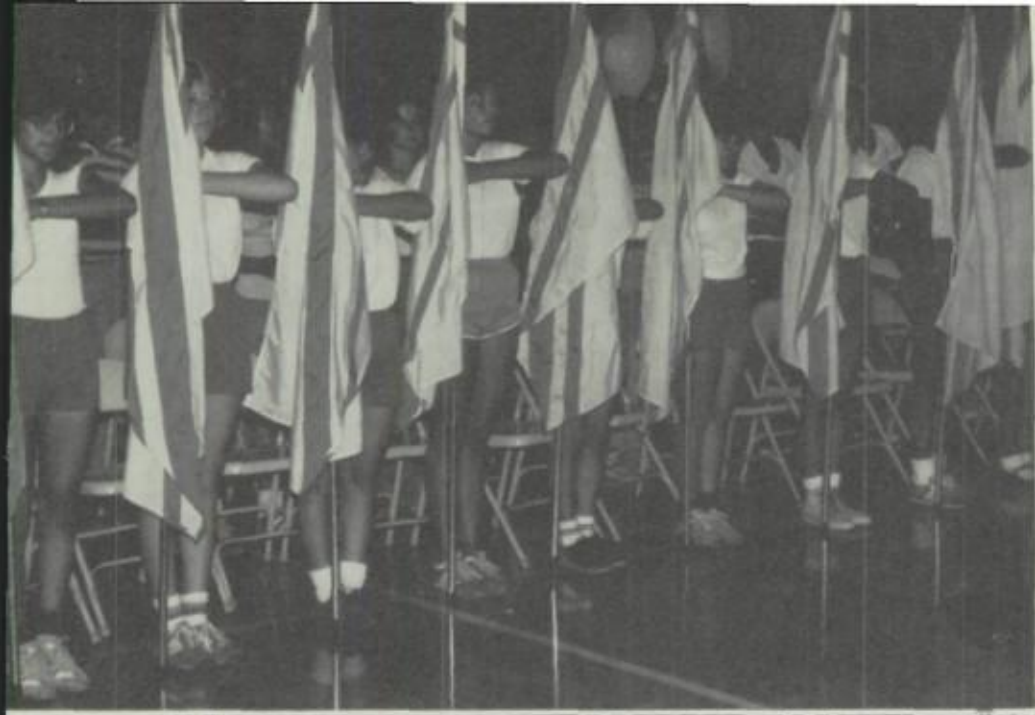

Good times and bad,

But what fun we had.

By Lori Jones

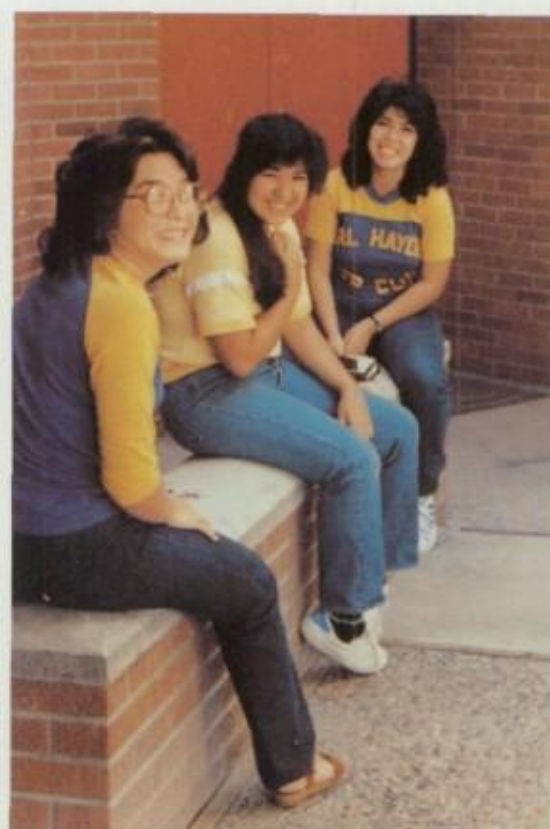

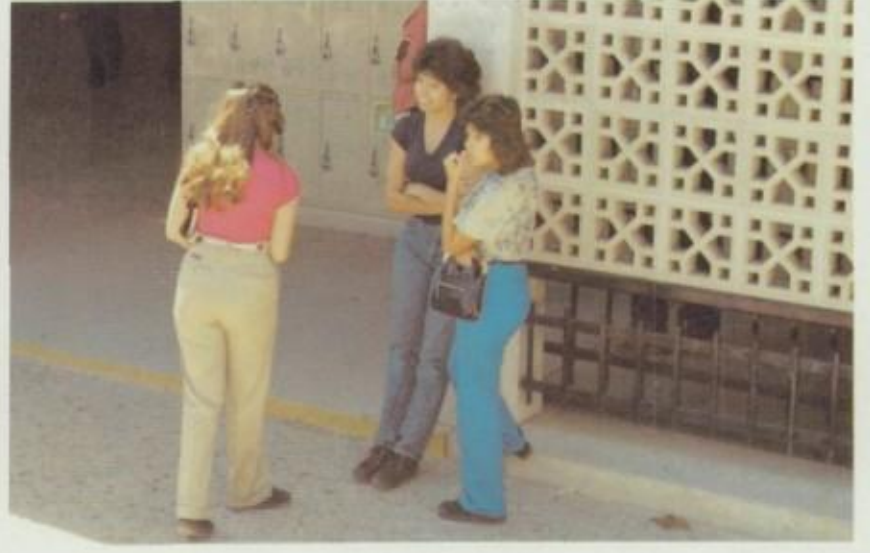

Many times,
love is put to a test.

You either leave it
behind,
for something new,
or keep it for what it is.

But mostly,
a love that is beautiful,
is ruined or tortured
by something,
one is not capable of
giving.

But when the love
is true,
nothing, I repeat,
nothing,
shall ever destroy
its beauty.

Bernie Beltran

QUE PASA
SENIORS?
TO THE FUTURE THE ROAD

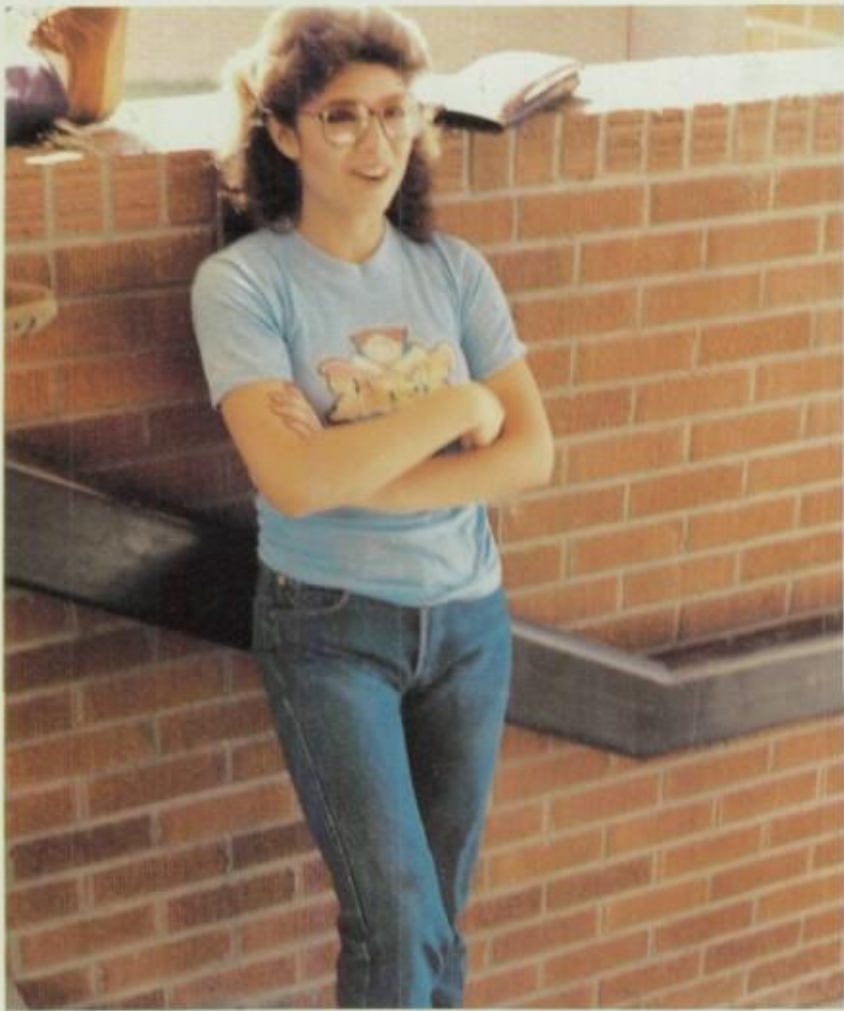

"Loosing Someone"
Have you ever lost someone,
not knowing where he is,
and wondering if he'll ever return?

Looking into the future,
and keeping in mind the joy, and
the laughter you once shared,
then wondering if that joy and
laughter will ever return.

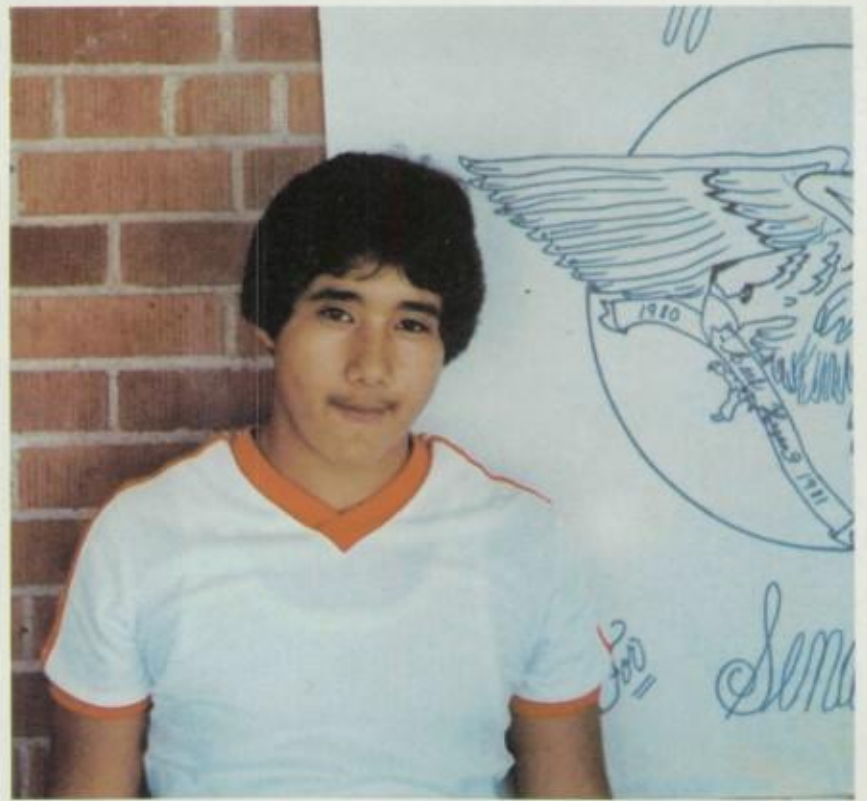

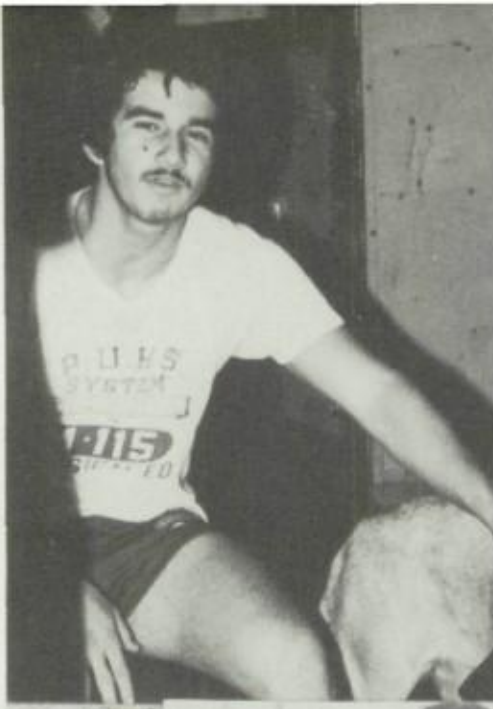

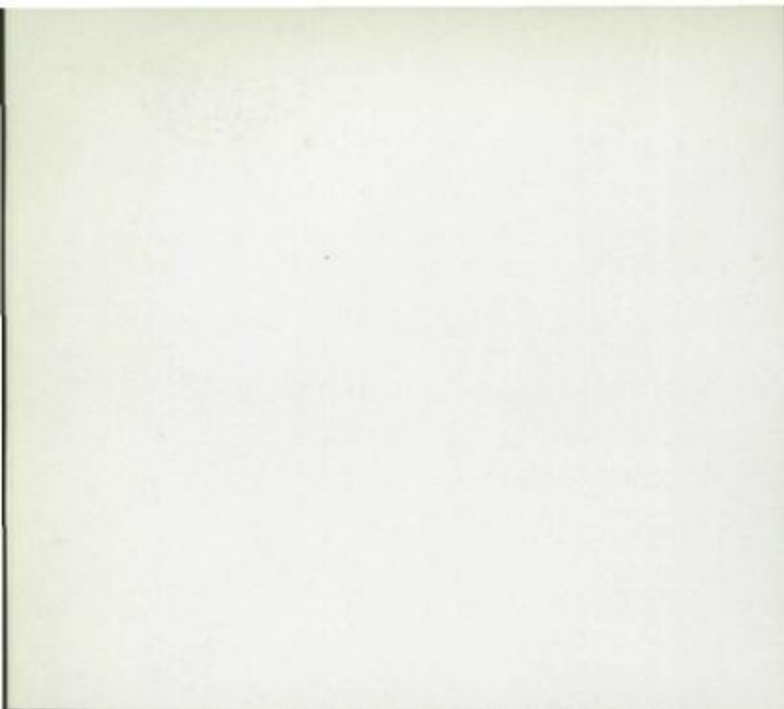

Then somewhere, someday you dream
of him,
not knowing who he is or where
he'll be.

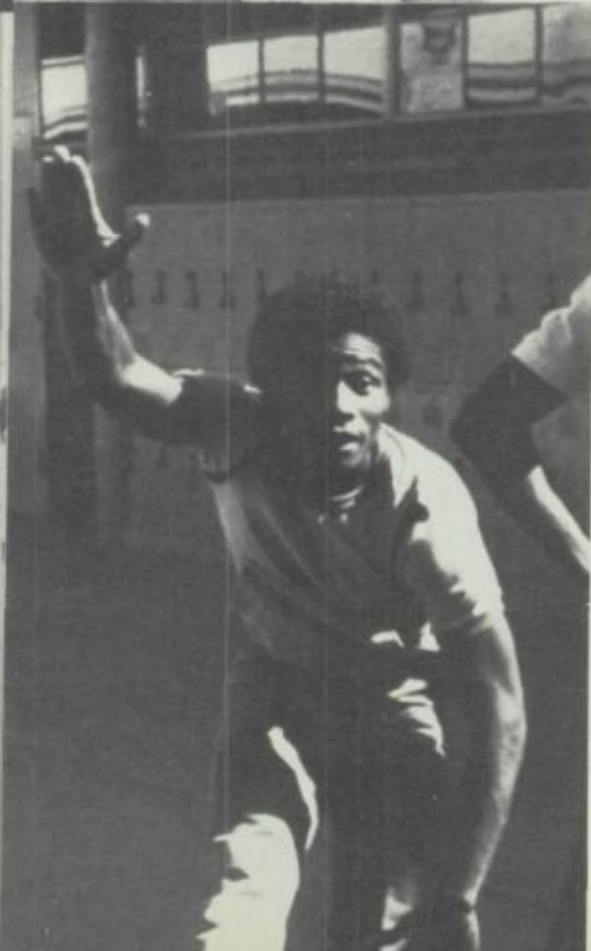

One day you send a letter for him
to come to you,
back to the love, joy and laughter
you both were so much a part of.

YOU SEND FOR HIM,
TO COME TO YOU.

to it. It's o.k. though, I'll be your friend no
matter how many illegitimate children you have. (haha)
I hope you keep in touch and let me know when you have
the baby. Maybe God will be in a good mood and give the
baby more sense than you and Clint have. Hope you have a nice
summer and many more. Take care of yourself.
